EMPLOYABILITY**

STUDY VISIT

SMARTPHONE FOR EMPLOYABILITY

**PRAGUE, 29. 1. – 3. 2. 2025
(INCLUDING TRAVEL DAYS)**

PROJECT TOPIC

This project aims to boost employability among youth through digital literacy and innovative tools for video CVs, with special focus on enhancing digital skills, self-confidence, creativity, and entrepreneurial spirit, the project supports Erasmus+ priorities for digital transformation and social inclusion. It promotes partnership learning, especially benefiting young individuals with fewer opportunities, by delivering globally relevant employability resources and fostering societal participation.

PROJECT GOALS

1

Boost digital and smartphone competencies

2

Equip participants for labor market success

3

Enhance self-confidence and knowledge

4

Stimulate creativity and entrepreneurial spirit

5

Promote inclusive society participation

6

Deliver globally applicable employability tools and resources

VENUE – PRAGUE, CZECHIA

Prague is the capital city of the Czech Republic, known for its rich history and stunning architecture. It is situated along the Vltava River and surrounded by rolling hills and parks, offering both urban beauty and natural scenery.

The city is famous for its medieval Old Town, charming cobblestone streets, and iconic landmarks such as Prague Castle, Charles Bridge, and the Astronomical Clock.

ACCOMMODATION

All participants will be accommodated in the **hotel Union****** ([website](#)), close to the session room and city centre.

You will be divided into twin rooms with the same gender. The project budget covers transportation, accommodation, food 3 times a day + 2 coffee breaks. Costs for **accommodation and food** are taken care of by **sending organization**.

PARTICIPANTS PROFILE

For the study visit we are searching for 4 participants per country in total:

- 1 representative of the sending organization,
- 3 young participants (18 – 30) that are interested in the trends of youth employability and are willing to share gained knowledge in their communities.

AGENDA

- Discovering trends in employability in partner countries.
- Learning from each other.
- Exploring the potential of smartphones in the HR.
- Visit of the experts.
- Exchange of the cultures.
- Planning of dissemination activities.

TRAVEL

The travel management for participants is responsibility of sending organization.

The allocated budget for travel is as per below:

- **Tinerii 3D – 200€ per participant**
- **VCS – 250€ per participant**
- **Mladoevropani z.s. – 50€ per participant**

- arrival day: 29th of January 2025
- departure day: 3rd of February 2025

TRAVEL

PARTICIPANTS ARE OBLIGED TO KEEP ALL THE ORIGINAL TICKETS AND GIVE THEM TO THE FINANCIAL REPRESENTATIVE OF THE SENDING ORGANIZATION UPON THEIR ARRIVAL BACK TO THE HOME COUNTRY.

Wait for the sending organization's approval **BEFORE** buying any tickets.

Tickets bought without approval and/or physical tickets that will not be handed to sending organization **WILL NOT BE REIMBURSED.**

APPLICATION FORM

- The selection process is done by sending organization.
- Final application form will be shared with the chosen participants.
